INSTRUCTOR:

David Vollbracht of Medicine Lodge, KS, is a representational landscape painter of the west. His work reflects the quality of light, nature, and the spirit drawn from the land.

David emphasizes the importance of the natural landscape and its beauty in his compositions. He is intrigued by the patterns and shapes found in nature and concentrates on the effects of light on these elements.

David's knowledge has been nurtured by attending the art workshops of Clyde Aspevig and Wayne Wolfe. He is a Signature Member of Oil Painters of America and has shown his work at numerous shows.

CLASS DETAILS:

David will demonstrate oil painting techniques, teach how composition, color, and brushwork enhance painting style, and focus on color applications. Students will develop oil paintings with coaching from a highly qualified instructor. Multiple skill and experience levels are welcome.
