Supplies to bring: About
20 pinch-type clothespins,
craft scissors, a long slender
screwdriver, pencil, measuring
tape (dressmaker's style), needle
nose pliers (small spring-type
works best), utility knife, old towel,
and dishpan.

Need a place to stash your red or white?

In this workshop you will weave a basket with a divider that holds 2 bottles of wine. This basket uses a D handle that becomes part of the basket structure. You will also learn some splintwoven basketry techniques different from those we used in the beginning basket class (Stacey's Basket).

There will be dyed reed available in a variety of colors for those who wish to include a color accent. You will also have access to a natural black walnut dip available as a finishing touch for your basket at the end of the class.
